Hi Nhien,

Hope this email finds you well! I want to check in and see if you know of anyone at CCA or the DCBID that would be interested in joining the *Heart of the City 5k* planning committee! Aaron was pretty involved last year and seemed to enjoy it. Maybe there is another staff member who would be interested for our 2017 race? It's a great way to give back to the community and work with other committee members who come from various professions in the downtown community.

I've attached the description of the committee. Let me know if anyone comes to mind!

Thank you for your help!
